

## Volunteer Job Description:

### Technology Committee

#### Purpose:

To provide expert input regarding decisions around technology for the Shooting Federation of Canada.

#### Location:

Virtual – the committee will meet via web or teleconference

#### Responsibilities:

- Research options related to technology changes or implementations the SFC is looking to do.
- Engage in development and analysis of requirements
- Provide input on alternatives and approaches
- Engage with stakeholders to gather input
- Engage in testing and evaluation
- Recommend products and services to the executive and board for final decision.

#### Qualifications:

A deep understanding of IT related areas such as: Web Hosting, Application Development, Application Architecture, System Integration or implementation. Formal accreditation is not necessary but a solid demonstration of capabilities is required.

#### Commitment Expected:

This will vary depending on the needs of the federation. When changes are required up to 6 or 8 hours per month could be required. When no immediate needs have been identified, 1 hour per month would be sufficient.
