APRIL 5-21, 2024

Thank you, again Lou Anderson for organizing and calculating all the Winter LSBA for yet another year!! Unfortunately, Lou took a spill just as the winter season came to a close. To make things worse, Lou has just had further medical issues and has not been able to complete the Winter LSBA results. We all wish Lou a healthy and speedy recovery from his newest health concerns. Special thanks go out to Championship convenors Glynn Loftin, Sharon Bowes, Danielle Belanger, Joe Struys, Dave Fritz, Harold Frey, John Campeau and Bryan McKellar. Adding two new Indoor Provincial locations was an indication our sport is now on a healthy upswing. Thanks to their range staff for all their hard work. Finally, to all the competitors who have had a long winter of competition and training. On behalf of the OnTarget family we hope all competitors and their families have a successful summer of practice and competition.

For those who are not aware of what's coming this summer. The rifle and pistol community In general, has had a very successful FALL and WINTER. Shooting events at the Paris Summer Olympics will have 3 Canadian competitors!! Ontario's Shannon Westlake won a Olympic Quota last Fall in Women's 3Position rifle. Alberta's Tye Ikeda just recently won an Olympic Quota in Men's 3Position rifle. Finally, recent Ontario resident, now Alberta Air Pistol shooter Tugrul Ozer won the Pan American Games Gold Medal last Fall and secured and an Olympic Quota as well. The Olympic Games take place in late Aug through the middle of August. Shooting events run from the 27th July through to the 5th of August.

Shawn Ryan completed the Trifecta this year! He won 3 Provincial Championships (Hunting Rifle Standing, Silhouette Hunter and Standard events). Last year Shawn won 2 events !! Congratulations Shawn!! Faisal Rahman won 2 events this year (Prone Irons and Anys). Well done Faisal. Shannon Westlake surpassed her 3 Position record by 4 points this year. Anne-Maria Korpikoski equaled the existing Women's Air Pistol Record with a fine 520 !! Congratulations to all competitors who won awards. Welcome to our new competitors. The ISSF shooters use of the electronic targets has now increased to the point of issuing Ontario Championship plaques. In fact, some Provincial Champions were declared in Electronic Target events due to the lack of competitors in the paper target events.
