

**National Defence HQ Rifle Association
National Capital Region Rifle Association
2017 DON MOORE MEMORIAL MATCHES**

AWARDS – GUIDELINES:

- The Open Winner is the top score in the event. Masters shoot for Open Winner only.
- To have a First, Second and Third Place there must be at least seven competitors in the event, or within a Classification, or within combined Classifications.
- To have a First and Second Place requires five or six competitors in the event (otherwise there is just an Open Winner), or within a Classification or within combined Classifications.
- If there are more than three competitors in a Classification they may have their own First Place winner, and a Second and Third Place if there are at least seven competitors in that Classification.
- If there are fewer than three competitors in a Classification, they can be combined with other Classifications to make First, Second, and Third Place winners as appropriate.
- Unclassified shooters are ranked as “Temporary Expert” until they get a classification.
