

QUALIFYING SCORE DESIGNATION & RESULTS FORM

Please follow the instructions below carefully.

Match designation and results reporting have been combined into one document.

1. Fill out the designation portion of this form indicating which competition you will be using for your attempts at a qualifying score. The requirement to submit 30 days in advance is **waived** for the 2023 year.
2. When the competition indicated below has been completed, fill in your result/score in the line provided and submit the scores using the HP Portal found at: <https://hp.sfc-ftc.ca/> . Failure to include the link to results will nullify the competition. The SFC office will not research or look for results. (*Canadian National Championships or Major Games do not require the submission of this information*).
3. Ensure that the \$25.00 High Performance Team Trials fee is paid to the SFC **prior to your first attempt at a qualifying score**.
