MESSAGE from the BCTA Vice President

Dear Participants

On behalf of the Barbados Clay Target Association, we welcome all participants from around the world to the Barbados' Regional Triangular and ISSF Shotgun Invitational.

Our venue is the result of committed Bajans and the ISSF Development Fund and Barbados Olympic Association that made our vision a reality; supporting the development of two world class fields for Trap and Skeet. These will be a legacy for our developing athletes. Hosting such competitions is key to Barbados fielding world class clay target athletes at upcoming major games. In the future we hope to be a choice location for training camps, for junior development and national teams, coaches' clinics and officials training.

We wish to thank the many volunteers, who have donated their time, expertise and hard work in order that we may host this important competition. This event would not be possible without significant volunteer contribution. I am sure you will get to meet our great volunteers and our sponsors throughout your stay in Barbados.

Thank you for coming to the Barbados' Regional Triangular and ISSF Shotgun Invitational and please enjoy our country's top notch hospitality and luxurious environment while you are here.

We wish all the competitors the best of luck and good shooting and hope to see you back in the future!

All the best in your shooting

Geoffrey Brown

Vice President Barbados Clay Target Association
